Eric Glass
Chairman
Paramedic Association of Manitoba

Dear Eric,

Thank you for sharing your concerns with me during this election campaign.

If elected mayor, I promise to meet with Winnipeg representatives of PAM. I will investigate the amalgamation model and if it is not working for the betterment of all Winnipeggers, it will be changed. I look forward to seeking the cooperation of all stakeholders, including Manitoba Health and the Regional Health Authorities, to ensure that the citizens of Winnipeg get the best emergency medical services possible.

Sincerely,

Kaj Hasselriis
Candidate for Mayor
